TRIP WITH 15 DAYS LIMIT ON ALL
RAILROADS.

Ten of the most prosperous counties in
Texas will be represented.

Gen. John B. Gordon will de-
liver the opening address.

Gov. Sayers, Col. Lanham, Senator Bailey, R.
W. Hall and other Speakers will be here.

There will be Broncho "busting,"
Steer Roping, Horse Races, Steer
Racing and various other amuse-
ments.

Some of the finest cattle in the
world will be here.

This is an opportunity unequal-
led to see the most prosperous
country on earth.

Wright.

The sun shines so very warm this
afternoon.
The ground is packed and if it is
not stirred soon the farmers will
have a "time" trying to cultivate
their crops.

So many have to plant over on ac-
count of the hails and hard rains.
Several gardens have been planted
and vegetables are growing nicely.

The hail beat almost everything in
the ground, only a very few escaping.

We have had several hail storms;
some hail stones as big as goose
eggs. One hail stone fell at Mr.
Duvall's that went through the
roof and thin ceiling and fell on the
floor. We fear what little fruit is
left is badly damaged.

Uncle Jack Green's loss was heavy.
He lost his wheat, oat and rye crops
and now has to plant his crop over,
but then we hear of the storms and
cyclones in the eastern part of the
state we should be thankful that we
are not in as bad circumstances as
they are, because here, we can plant
for a forage crop now and make feed
and they can't. Crops look very
well where the hail missed.

Grandpa Denson will commence
laying by his corn tomorrow (the
10th of June). It is hip high. His
rye will soon be ready to harvest.
Fall oats are a complete failure.

Mrs. Hamilton says she has Eng-
lish peas and Irish potatoes large
enough to eat.

Mrs. Rouse has 100 little chickens
nearly large enough to eat.

Mrs. Reed had nearly 100 killed and
drowned.

Jim Skipworth said he lost all his
little turkeys, guineas and several
chickens. That's too bad.

Mrs. McGuire had 75 to blow away
during some of the storms.

Mr. Shannon and Mrs. Bailey have
gone back home to Missouri.

Mr. Williams, of Missouri, is visit-
ing Mr. Tudor.

Mr. Tudor has gone to Canyon
City with a nice drove of hogs. He
aims to ship them to Kansas City.

Mrs. John McCune has a 10% pound
boy stopping at her house.

Services at Wright last Sunday
conducted by Zeb Reed.

Mrs. T. A. Ross has a real severe
rising on her head.

That's all this week.

CRICKET.

There will be a Holiness meeting
held at Floydada beginning June
20th, conducted by Evangelists T. L.
Adams and L. L. Gladney. Every-
one is invited to attend. The Lord
is wonderfully using these men in the
spreading of scriptural Holiness over
these lands, and the winning of souls
to Him. Let every one who loves
God and souls, pray for the presence
and power of the Holy Ghost on the
meeting.

C. J. Menefee.

"What is an epistle," asked a
Sunday school teacher. There
was a pause and then a solitary
hand went up.

"I know, teacher."
"Well, my dear?"
"The wife of an apostle,
teacher."—Clipped.

"How do the people in your
locality feel about the beef
trust?"

"Well, it's funny how the
thing works out our way. There
is a fellow telling us it was all
the fault of the Republican
party, and that we'd have to be
either Democrats or vegetarians,
and, by gum, we're all turning
vegetarians."—Chicago Tri-
bune.

Mr. J. T. Jowell is in town
this week.

D. W. Pinkston of Portales,
was in town yesterday on his
way home from Amarillo.

The various committees on
the reunion report very gratify-
ing progress in their work and
this will no doubt prove the
most interesting and entertain-
ing reunion ever held on the
Plains.

Messrs. Fleming and Cush-
ing shipped 17 cars of cattle to
South Dakota last week.

Messrs. Tudor & Son, of
Wright, shipped a car of fat
hogs from here to Kansas City
today.

T. J. Morris of Briscoe coun-
ty is in town to day

Owing to the number and size
of the Methodist ministers in
Canyon we have decided that it
must have been a Baptist min-
ister that rode (?) the yearling.

into the house formerly owned
by W. E. Stewart.

Mr. H. E. Hume left this
morning for Plainview and other

be gone a week or ten days.

We are informed the Banner-
Stockman, of Clarendon, criti-
cised the editor of this paper
last week in connection with
the article which appeared in
this paper about the candidates
for representative. We desire
to tell the Banner-Stockman
two things: First, The Stayer
is owned and controlled by us
and when we want to print any
thing about one man we do not
ask any other man whether he
approves it or not. We do not
belong to Judge Gough, but
support him because we think
he is the best man for the posi-
tion. We perhaps know Mr.
Ware better than the Banner-
Stockman does and have stated
nothing but a absolute truth about
him. We admire Mr. Ware's
intellectual abilities and con-
sider him a friend but he is not
the man for the hour according
to our judgement of men; there-
fore, as we said before, we can-
not indorse him. It makes no
difference to us whether the
Banner-Stockman, Mr. Ware or
Judge Gough indorses our ac-
tion or not the facts remain that
Mr. Ware is not the best man
for the place.

that are familiar with trotting stock.
